## BRIEF INTRODUCTION TO SL GROUP

We like to introduce ourselves as an organization solely dedicated into Rental service of medium to large sized heavy-duty hydraulic telescopic, Crawler Cranes and Tower Cranes with capacity ranging from 20 Ton to 450 Ton, Boom lifts ranging from 40 Feet to 210 Feet & Drilling Piling Rig. The company has a registered office in Navi Mumbai having above 10 years of experience and more than 15 operational sites across India

The company provides crane rental services to major heavy industries in sectors like Power (Wind, Thermal, Hydro & Nuclear Energy), Cement, Steel Refinery and metro projects. Today, S L Enterprises is a major player in supplying heavy duty cranes in heavy lift projects.

Subsequently, SL GROUP entered into Construction Industry with Piling and Ground Improvement Works, including caging, and concreting. Now SL Group has diversified into the areas of **Specialized Ground improvement & Shoring work like Anchoring, Micro Piling, Stone Column etc.**

We achieve excellent result through our professional approach and delivering quality work. Our continual effort of improvement has given us the edge over others and we are receiving continuous recognition from our clients. Our success is built on Client Satisfaction, efficiency and strong human relations.

# SL GROUP OWNED EQUIPMENTS

Our completed projects.

A construction machine mainly used to drill/create piles in soil, clay, etc.

The truck crane is a simple lifting engineering vehicle, which is mainly used for lifting and transporting cargo of small tonnage.

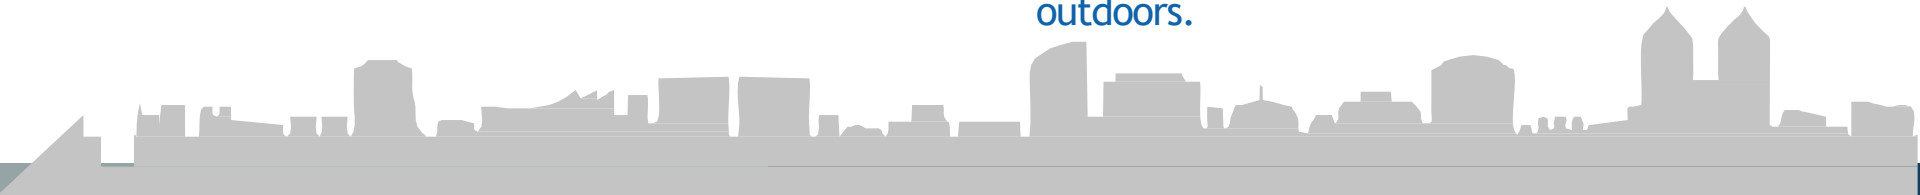

# SL GROUP OWNED EQUIPMENTS

Scissor lifts are work platforms used to safely move workers vertically and to different locations in a variety of industries including construction, retail, entertainment and manufacturing.

Boom lifts are an ideal elevated work solution for a wide variety of projects and tasks including:  
Erecting scaffolding and other construction jobs.  
Painting walls and ceilings.  
General building maintenance tasks particularly outdoors.

# SL GROUP OWNED EQUIPMENTS

We have some high end equipment, here's a list of it

## Hydraulic Rotary Piling Rigs

**Quantity:10nos**

Capacity: 400mm to  
2000mm diameter

### Models:

- SUNWARD Qty-06
- MAIT HR-180, HR-130. Qty-04

# SL GROUP OWNED EQUIPMENTS

We have some high end equipment, here's a list of it

## Excavator with Rock Breaker

EX-200

Quantity: 02

Excavator

TATA HITACHI EX-70

Quantity: 02

Excavator

TATA HITACHI EX-110

Quantity: 04

Excavator

TATA HITACHI EX-200

Quantity: 02

EXCAVATOR

SANY SY-140

Quantity: 01

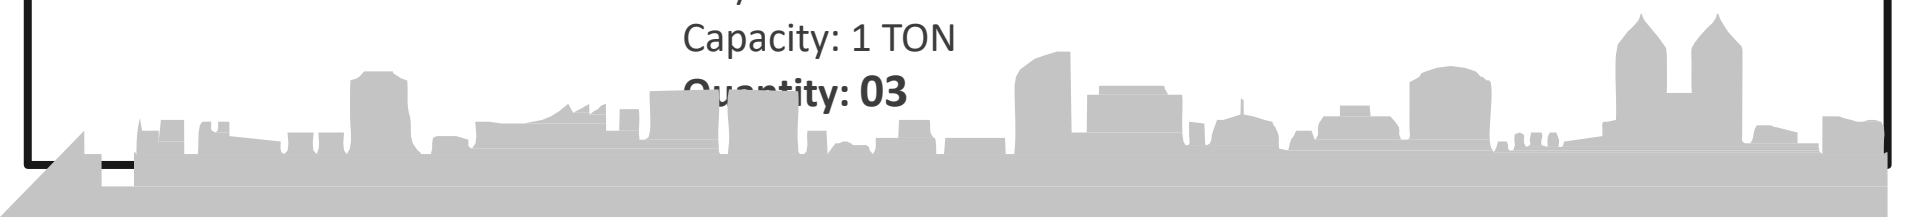

## Soil Compactor

I.R / Escorts

Capacity: 1 TON

Quantity: 03

# SL GROUP OWNED EQUIPMENTS

We have some high end equipment, here's a list of it

## Vibro Stone Column

130 kw Capacity, can  
install Stone Column of  
depth up to 25 Mtr.  
Top feed, bottom feed  
**Quantity: 04**

## Back Hoe Loader

JCB  
**Quantity: 08**

# SL GROUP OWNED EQUIPMENTS

We have some high end equipment, here's a list of it

## Concrete Boom Placer

Putzmeister  
Capacity: 36 Meters Length  
Quantity: 08

## Dumper / Hywa

TATA  
Quantity: 08

# SL GROUP PRIDE OF EXECUTION

Execution is a 24\*6 across all activities

Cage Lowering during NIGHT operations

# SHORING WORK WITH SOIL ANCHORS

# ANCHOR DRILLING WITH HYDRAULIC RIG ,SM-14

# STRESSING OF ANCHORS

# Our Valued Clientele

# Thank you.
